for

Perdido YMCA Lead Donor Brainstorming Session!

As a group we have the potential to come up with many more potential lead gift owners and more contacts to help introduce us to those potential donors. I can't do this without you. We need to find the lead gift donation of a minimum of \$750,000 ASAP so that we can start a public Capital Campaign for the Perdido YMCA.

Your attendance and participation is appreciated. Please feel free to bring a spouse or another guest willing to help us brainstorm and come up with some ideas for our lead donor as well as other fundraising methods such as challenge donations. Please RSVP.

Thank you,
